Supa Stik
LABELS & LABELLING SYSTEMS

Indigo WS4000 Label Press

Digital wine labels are ideally suited to:

EXPORT WINE LABELS

Digital labels are the new solution. We have installed this breakthrough press to meet the needs of the wine industry, and it is the perfect solution for export labels. Fast turnaround, no plates, full colour.

CUSTOMISED LABELS FOR SPECIFIC CLIENTS & EVENTS

Digital printing introduces a new era in short run customised wine labels. Short print runs, full colour, fast turnaround. It's easy now.

PRINT RUNS OF YOUR BRAND LABELS

Supa Stik Labels are both digital and conventional label printers, having the facilities to offer a total service to our customers.
